

# Craft Farms Property Owners Association

## March Insights

### **A FEW REMINDERS:**

***Please remember to check your Village Residential and Construction Guidelines before beginning ANY EXTERIOR improvement(s) at your property. These documents as well as Craft Farms Property Owners Association Master Covenants, Architectural Review / Modification Requirements, Request Form and Compliance Deposit Form may be viewed on the Craft Farms POA website, [www.craftfarmspoa.com](http://www.craftfarmspoa.com).***

***Garbage Containers: All garbage and trash containers, must be placed where they are not visible from street, golf course or any adjoining property.***

***We are again addressing yard debris being placed out days prior to the scheduled pick-up for Craft Farms. Our day is Thursday or Friday so please be courteous to others in your village. We are most appreciative of you taking beautiful care of your yards but our streets are looking unsightly.***

***The Craft Farms Property Owners Association office is located in the Craft Farms Golf / Pro Shop, near the Cypress Bend Room. If you have any questions or concerns, please do not hesitate to call Cindy Woodson, 251-948-3039, email [cindywbreal@gmail.com](mailto:cindywbreal@gmail.com) or stop by Craft Farms POA office.***

***Craft Farms Board of Directors***
