

Craft Farms Property Owners Association

June Insights

Please welcome our new residents in Prestwick Village; Leroy & Patricia Shamburger, Ray & Diane King, Gary & Jackie Bernard and Cary & Stacy Bathrick. Let's give them a warm welcome.

We are again addressing yard debris being placed out days prior to the scheduled pick-up for Craft Farms. Our day is Thursday or Friday so please be courteous to others in your village. If you have hired a lawn service they are responsible for removing it or it must be placed out of sight and you are therefore the responsible party to move it to the curb. We DO appreciate you taking beautiful care of your yards but our streets are looking unsightly. Please refer to our covenants for clarification.

We are pleased to announce Gene Turner as Turnberry representative and John Mahloch as alternate to our board due to a resignation.
