

HAPPY THANKSGIVING CRAFT FARMS

In Memoriam:

The POA would like to send our condolences to Kathy Morelock and family on the passing of Ed Morelock. Ed was a respected member of our board and served the community of Craft Farms for many years wearing different hats. Ed passed away September 27, 2016. Ed served in the Air Force during the early Vietnam era. He was a graduate of both Auburn and Vanderbilt Universities. He was an active member of Orange Beach Methodist church where he served on the finance committee. Prior to retirement following 25 years of service, Ed worked for Motorola as Vice President of Human Resources. Ed will be missed.

Currently we have no news to report to you regarding the "Fountain Development" to be heard by the city council. We will continue to keep everyone notified of any impending meetings.

The city of Gulf Shores will be trimming trees in villages for safety reason which include overgrowth near intersections, stop signs and street signs, nuisance trimming will be done by Craft Farms. This will include trees overhanging a driveway and low branches hitting or close to top of vehicle/antenna or branches that are low enough to bump your head on.

We would like to remind everyone that trash cans and recycle cans need to be taken in on the day of pick up. If you need clarification, please refer to our restriction 7.1.

The Craft Farms website is undergoing major changes. Please be patient while we work on this. Much thanks go to Cindy Woodson and John Stahlhut for their many hours that were required to change our server, etc.

We have great news. The landscape committee has been in much discussion with 4 architectural landscape companies and we have chosen Coastal Landscape. We are awaiting a visual proposal. We feel they were best suited to the needs/requests and visual upgrades to our entrances. They will work in phases for the three entrances with the main entrance to be transformed initially and then the other two entrances. We anticipate long overdue redesigning to take place. Watch for changes. As an added note the company employs Veterans.

Have a wonder Thanksgiving as we are all truly blessed. Remember Gobble til you wobble!
