

# ***Craft Farms Property Owners Association***

## ***November Insights***

### ***HAPPY THANKSGIVING***

This has been a busy year for your board with the landscape changes at our front entrance and the completion of the entrances at Royal Glen and Pinehurst Villages. Many Villages also had tree trimming completed and now we have a schedule to insure that all Villages are addressed routinely.

Cypress Bend, Cypress Gardens, Pinehurst, Prestwick and St. Andrews Villages will be holding Annual Village meetings to elect 2018/2019 Village Representative and Alternate Representative. Please make a point to attend your Annual Village meeting and vote in person or by proxy.

We continue to ask for your cooperation in keeping dogs on a leash while not on your property as we have had dogs roaming freely during the early morning hours. Residents don't know if your dog is friendly and if it comes off your property there is a major liability issue. Also, remember there is a leash law enforced by Gulf Shores police.

As we approach Christmas with it's merriment, please drive sober and stay safe. We want everyone to enjoy the holidays.

Stay tuned for information for purchasing pine straw as it will be made available in the new year.

With our warmer gulf temperatures, neighbors in need of a new mailbox should contact Cindy Woodson. If your mailbox is rusted or falling apart we ask that you maintain it accordingly to match Craft Farms' great reputation in our city. This is also a good time to clean up and spruce up yards and landscaping. When we all keep our yards looking good, everyone benefits.

Best Regards,

Your Craft Farms Board
