*With the peak of the hurricane season upon us please make sure you have your hurricane pass. If you don't, you will need to go to the city hall and get it. Once a warning has been officially issued for Gulf Shores by the city, you will not be able to obtain one in accordance with resolution 5642-16. You will also need to show proof of residence to obtain your pass.*

*The Estates held an election as Jack Nichols is moving and the new representative is Kim Gordon and alternate Robert Moreno. Welcome to the POA board.*

*A shout out goes to Neil Chapman and Chandler, his dog, for keeping the circle at the roundabout between Royal Glen, Prestwick and Cypress Gardens cleaned of branches. Neil has made it a point of piling up branches that fall from the trees due to winds and thunderstorms. Thanks Neil and Chandler*

*The entrances at Royal Glen and Pinehurst will begin their landscape changes soon.*

*If you have news about your village please let us know.*
